

Meagan

Meagan,
 Every picture holds a special memory for us. We hope you always treat people with respect and we wish you great success at everything you do. We are going to miss watching our cheerleader. We love you very much!
 Mom and Dad

Meagan,
 I know you and I have had our ups and downs, but we always knew how to get through it. I am going to miss you so much when you leave. Just always remember to make good decisions in your life, and I will always be here for you. I love you sister!
 Love, Laura (twin :))
