

Mariah Leigh Fleming

Mariah,
This is such a special time in your life as you graduate high school and move on to college. As always, we are sure that you are up to a good challenge, and will meet it head on with determination and a good spirit. We have no doubt that you will succeed at any goals you choose. Take with you the lessons on good moral character and respect for others that we have taught you. Believe us when we tell you that these will take you far in life. We love you and wish only good things for you in the future.

Love,
Mom and Dad
