Lauren,

Time has just flown by! It seems like only yesterday that we brought you home from the hospital with that head full of dark wavy hair! It's so hard to believe that the time has come for you to leave and go to college. We are so proud of you and we know that with your determination you will succeed in your future endeavors.

Remember that hard work will pay off! Always remember that we love you and that we will always be there for you.

Love always,  
Mom & Dad

Lauren,

I can't believe you're already graduating & going off to college. I thought you were going to stay here & work at Sonic the rest of your life. I've always said I'm ready for you to graduate, but over the years we have become closer. We give each other advice and always cover for each other. Having you as my sister has made my teenage years easy. Always remember I have your back no matter what. I'm going to miss you next year!

Love always,  
Ansley (Twanie Gurl)
