

Jennings Burttram

Dear Jenn,

It has been a complete joy watching you grow into a beautiful and smart, young woman these last eighteen years. Every stage of your life has been a fun adventure; and we look forward to watching you succeed through the next stages of your life. You have demonstrated over and over your poise, grace, and wit. In the face of adversity, you have shown more courage and maturity than most adults we know. Your accomplishments have been so many, but we are most proud of your faith, your high standards, your kindness towards others, and your determination to excel at whatever you choose to do. Please remember what we have taught you since you were a little girl: always say your prayers, play nicely with others, do your best at whatever you set your mind to, and especially, remember we are your family and we will always be there for you.

We love you,
Mom, Dad, Livie, and Jake
