

Mr. Ellis,

A more dedicated and devoted Headmaster could not be found. You have taken Colleton Prep into your heart, and you have given us your all. Our school is a better place for your having been our Headmaster, and we are better people. We have made such great strides in technology and curriculum during your service as Headmaster. But mostly, having been led by your example, our greatest improvement is that we have become more understanding and thoughtful people. You have taught us the value of respect. We wish you the best in all of your endeavors.

*Thank you for all that you do!*
