

# Katie Elaine Osteen

It seems like only yesterday that you started kindergarten and now you are senior! The years have flown by so quickly. We are so proud of you! You have blessed our family in so many ways. Thank you for all of the happiness that you have shown us! You are our joy and our sunshine! You are the light of our day. Remember to put God first in your life, follow your dreams and believe in yourself. Please know that no matter where you may be or where you will go, we will be right there with you in a special place in your heart. We are so lucky to be your parents.

Congratulations!  
We love you,  
Mom and Dad
