

## Ryan Martin Crosby

Ryan,

We are so proud of you. It's hard to believe you are already a Senior. Where has the time gone? We hope you know how special you are to us Ryan. You have always been our pride and joy. You have a way about you that draws people toward you with your humor and leadership ability.

You have always been a natural at so many things from hunting, never knowing what was going to be in the back of that truck next for mounting. Sports, especially baseball which you are excellent at. You have always given one hundred percent and put your whole heart in everything you do. That is why we know you will do well on your journey into the future.

You have given us so many memories. Memories we would not trade for anything in this world.

We Love You,  
Momma and Daddy

Dear Ryan,

I am going to miss you when you go to college. Hope you pass the 12th grade.

Love,  
Dondi
