

Lester Pierce Jordan IV

Pierce,

It's hard to believe that you are a senior. Where has the time gone? It goes by so fast that we don't always have time to do the things you want to do.

You have always been my heart and soul since the day you were born. I thank God for each day I have you in my life. I know we have had our ups and downs but I love you more with each passing day.

I hope the path you take in your future will make you happier with each passing day. I wish you much success in your college years.

With much love,
Dad
