

# Allie Frances Murdaugh

Allie,

It seems like only yesterday that you were our special little Christmas gift from God. Now eighteen short years later you are an amazing young lady. You will never know just how proud we are of you. We will miss you so much when you leave for college. We know that you will continue to grow into a beautiful, independent, and capable young woman who will have much to offer to this world. Always remember that we love you very much but that God loves you even more!

Love,  
Mom and Dad

Allie,

I am very proud to have you as my big sister. I will always love you!  
Samantha
