

Tabor Elizabeth Copeland

Tabor-

Although it may seem to you that it has taken forever to reach this point in your life, it has happened all too quickly for me! Although I am sad to think of you leaving, it cannot compare with how happy and proud I am of you. Never lose sight of your dreams and never compromise anything to reach them. Always remember these things: life will be filled with challenges; never settle for the path of least resistance. Do your best, be yourself, and always look for the best in others. Work hard, stretch yourself, never stop learning and remember to have some fun along the way.
I love you-Mom

Tabor-

You are the best! I hope you have a lot of fun in college. We still need to have our "sister nights"! Thanks you for all you have done for me.
I love you! Claire

Tabor,-
