Elizabeth Grace,  
You are a beautiful angel sent to us on May 3, 1993. Your strong Christian faith along with your sweet, kind, and compassionate nature, is rarely seen in adults, much less someone your age. You have a true gift which is evident more and more as you mature into a beautiful young woman. God has great plans for you, and we are so thankful and proud that He blessed our lives with you.  
We love you.
