

Laura Cheyenne Craven

Laura,

We love you so much that words cannot attempt to express our feelings. You have made us proud from the day you "backed" into this world until now as the beautiful young lady you have become. We hope you will always maintain your caring ways and concern for others. Of all your attributes, and there are many, your determination may be the one we admire the most. We are tempted to tell you that you "can't succeed" because we know that the one sure way to get you to do something is to tell you that you "are not good enough". You have proven time and again that, not only are you good enough, you are the BEST.

We "hope your dreams take you...to the corners of your smiles, to the highest of your hopes, to the windows of your opportunities, and to the most special places your heart has ever known".

Love,
Mom, Dad, and Joshua
