

Thanksgiving

Over 300 Grandparents and Grandfriends were on campus November 22, 2011 to spend the morning with CPA students, enjoy a play, see the high school choir perform, and last but not least...eat a full Thanksgiving meal!!!

Signs of Christmas were everywhere the last week of school in 2011 and on Friday the Media Center was full of excitement when the entire lower school gathered to watch a movie, eat, drink, and countdown the last few minutes until Christmas break!!
