

VARSITY Cheerleading

With a new coach, hectic practice schedule, and the state competition on the line, the 2011 cheerleading season began with much anticipation and excitement.

The team had the opportunity to go to Presbyterian College and Lander over the summer to prepare for the season ahead.

The girls made many memories over the season, the most memorable of them all was cheering the team on to state!

The 2011 Varsity Cheerleading squad performs their last half time of the season together at the State Championship game at Benedict College in Columbia, SC.
