

# Varsity Tennis

The Colleton Prep tennis team finished the season with an 11-7 record and made it to the quarter finals of state. The first match of the season was against 3A Ashley Hall. The first region match was against Thomas Sumter Academy and lost a close match in doubles 5-4. Four matches later our record was 2-3 in region play with two losses to Holly Hill Academy and a win from each Thomas Sumter academy as well as St John's Academy. We went into the playoffs with a 3-3 record in our region and were set to play Charleston Collegiate first round. We won our first playoff match at home 9-0. Our next match was to be played at Carolina Academy in Lake City, South Carolina. After everyone played a tough match, we lost with a final score of 5-1. Sarah won the only match of the day. This ended our season and the last match Sarah would play during regular season as a Colleton Prep student. We finished our season with a winning record and accomplished more than we thought we would at the beginning of the season.
