

Dear Calhoun,

From the moment you were born, you've brought so much happiness into our lives. We thank God every day for blessing us with you and Trey. Watching you grow up from a precious little boy to the handsome young man that you have become is what life is all about. From the first time you played on a t-ball team, then little league, to the Hawks varsity football & baseball teams, we can remember them all and wouldn't miss a game for anything! As much as we love to go hunting & fishing, all the camping out and vacations we've had, watching you boys play ball has been the happiest times of our lives. You have always made us very proud of you and know that you will accomplish anything that you put your mind to. This next phase of your life will be quite an exciting adventure for you, and we hope that you will keep us part of that. No matter where you go or what you do, we'll always be on the sidelines cheering you on.

We Love You Very Much!!
Mom, Dad, & Trey
