Dalton Hayes Mescia

Dalt,
 There is a song that says the words "don't blink life goes faster than you think". This statement is so true. It seems like just yesterday you were learning to ride a bike, swim, and catch heck - I guess just walk. Your mom and I are so proud of the young man that you have become and the accomplishments you have achieved. Life is what you make of it. Embrace the opportunities that come your way. ALWAYS lead, even though at times it may be easier to follow. A man is measured not by how many times he falls but by his determination to get back up. LIVE life to its fullest, LOVE those around you and LAUGH at yourself a lot. Thank the Lord for the ability he has given you to brighten up even the darkest days with your contagious smile and personality. You have made our lives better, and I know you will continue to affect the lives of others the same way. With overwhelming confidence I would like to say YOU control your own flood gate. Keep your river moving forward for someday no matter how the river changes you will navigate it blindfolded.

CONGRATULATIONS! WE LOVE YOU!!
