

Gina Lee Strickland

Where have the years gone? It seems like only yesterday you were a spunky little 3 year old prancing around the house in high heels singing the "Barney" song. (No Rae Jose!) And now, what a beautiful young woman you've become. You've blossomed into a caring & generous soul. As you move on into the next stage of your life always believe in yourself, have faith, continue to take the high road and most importantly, trust in the Lord because with Him all things are possible! We are so VERY proud of you & love you more than you will ever know. Congratulations!! WE LOVE YOU GIGI!!!!

Love,
Mom & Dad

Gina! You are a senior! That's crazy! Remember when our favorite thing to do over summer was to bake with Brittany? Now it's Edisto! You will need to go with me still every once in a while. You better keep going to Tennessee with us. It's going to be pretty quiet without us screaming at each other. Who am I supposed to blame when you leave? Gigi, good luck in college! Love, Marla (:

I am very proud of you. You have turned into a very smart, beautiful young lady. I am very blessed to have you as my sister. Best of luck and I know you will do good! Love always, Devon

I love you and am very proud of you! Congratulations! Love, Jennifer
