JACOB CRAVEN

Jacob,

I will remember every homerun you ever hit. What joy it brought to me. I will remember every football you ever kicked, tackles you ever made, all of the camping trips, fishing trips, and hunting trips we took together. Son, carry these memories where ever you go. Remember we did these things together. There will be a lot of goals down the road to win. I wish I could be there to see them. Just remember I have loved you from the time you were born and will continue until my life is over. We love you very much and are so very proud of you!
Love, Mom and Dad
