TRIPLE TROUBLE

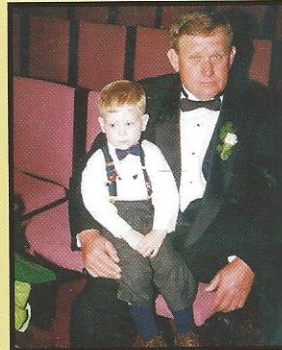

Cody, Tanner, and Scott

I will never forget the day the three of you graduated from Kingergarten; it seems like it was just yesterday. You all looked up at me with precious smiling faces and one of you asked, "What's next, college?" Well, my beautiful children, "It is time for college". Daddy and I love you unconditionally and are so proud of you. Remember, YOU are in control of your destiny.

CJ JONES

We survived! Congratulations! You have brought such joy to our lives over the years! We love you very much and wish you good luck with everything you do in the future. And most of all, remember that we are your family and will always be there for you!

Love, Mom, Dad, and family
