Eighteen years ago God blessed us with a son. We are so proud of you. You have blessed us with your shy, calm, witty, loving, caring attitude. I am glad that you have always had your own ideas, and have been a leader not a follower. Whatever road you travel in life always remember, I will be there for you. My love for you is unconditional. You have grown from a great kid into a great young man. Always follow your heart, it is in the right place. Continue to lead and never follow. Your talent to look at things and make it will take you far in life. You have no limits. I hope your dreams all come true.
Live, Life, Large!!!

Mom and Dad**
