

Clay Crosby

Clay,

It seems like just yesterday you were off to preschool with a pocket full of pacifiers and now you're about to graduate a fine young man. We are, and always will be so very proud of you. Put Christ first and keep that sweet, loving, and kind personality. God has truly blessed our lives with you. Love, Dad, Mom, and Bryce

Good Luck Uncle Clay
We Love you!!
Cloie, Axle and Stone

We've Got You Covered!

Since 1877, The Press and Standard has been Colleton County's, most trusted outlet for news. That includes education and sports, and when it comes to Colleton Prep, nobody covers the War Hawks like The Press ... **NOBODY.**

The Press and Standard

With our added online presence via ColletonToday.com, Facebook and Twitter we are able to bring you late breaking updates and provide timely, continuous coverage of news and sports in Colleton County.

COLLETONtoday
By Press and Standard

On behalf of the administration and staff of The Press and Standard I would like to salute CPA on all of its academic and athletic accomplishments in 2011-12 and wish the War Hawks continued success in the future!
