

# While we were out... Summer

2012

**F**or many students, the first thing on their summer 2012 to-do list was the beach! While Edisto is the local beach of choice, CPA students could also be found sunning on the shores of the ocean, lakes and rivers anywhere from Washington DC to Vero Beach. The beach may be the #1 choice, but that's not all we did over the summer. Many students made a difference by participating in World Changers in Savannah, GA.

Towards the end of summer we all start yearning for War Hawk football. Let's face it, by mid-August we are all ready to hit the books again, and look forward to another exciting year at CPA!
