

Dedicated to the one and only..

Mrs. Cheryl Murdaugh

This year the 2013-2014 Talon staff has decided to dedicate the yearbook to someone who always has a smile on her face. A room is automatically brightened when she walks in. She might just be the most organized teacher in Colleton County, and that's a fact! She has the kindest heart, and it's unusual to see her frown. If it weren't for her unlimited supply of "patty paper" or her daily quotes on the board, we would have been lost. Her passion for Relay for Life, and community service projects are contagious. Her willingness to always put others first is one of the many reasons we wanted to dedicate the yearbook to Mrs. Cheryl Murdaugh. Thank you for always believing in the class of 2014. You have stood beside us throughout our high school journey, and if it weren't for you, most of it would not have been possible. Thank you for teaching us to be kind, loving leaders for the future. We love you so much, thank you for being the best sponsor ever! Try not to miss us too much!

Love,
The 2013-2014
Talon Staff

Class of 2014 in 2010.....and in 2014!!!
