

HOW DO YOU MEASURE

# Memories

## Student Life

Memories at CPA are measured by the laughs, cries, hard work, and dedication that we have all shared with our classmates, teachers, and coaches. These are the memories that make us who we are. One of the best parts about being a CPA student is that no matter how far our life takes we will always have these memories that keep us close to home. Students will carry the memories they have made at CPA for the rest of their lives!
