

Tis the season to...Celebrate

Holidays are always a fun time at Colleton Prep for students, teachers, parents, and grandparents. Every year it is tradition that the seniors dress up for Halloween and walk around to each classroom to show the students their costumes. This year, the student council put on the Halloween Carnival. Each member of student council ran a booth that was sponsored by a grade, K-4-12th grade. The carnival was held in our gym and students had a blast walking around playing every game. The junior class also had a haunted house. All ages enjoyed getting to walk through. Colleton Prep also has a special Thanksgiving program where students are allowed to invite their grandparents for a Thanksgiving program and feast. The elementary school sang and put on a cute program.

The Christmas season is always cherished at Colleton Prep. The lower school celebrates with the traditional classroom parties, but for the past two years they have taken it up a notch and had a Grinch Day. All of the teachers and students look forward to seeing who is going to be the grinchiest. This year our Honors Elementary Choir sang an arrangement of songs. The Choir also sang a song with the Middle School Chorus. The Middle School Chorus also sang an arrangement of Christmas songs. Our drum line put on a spectacular show with their rendition of "Carol of the Bells". The High School Chorus wrapped up the Program with "A Holiday to Remember", a fun arrangement of Christmas carols. This year our chorus also had a show choir. The show choir danced, sang, and made the show one to remember!!
