

Laura Reynolds

Laura,
 God has blessed us with a wonderful daughter who brings us so much joy. You have accomplished so much in the last 18 years and we are proud of each and every one. We have so many great memories in particular watching you play in the World Series in Texas. Laura, you are a very sweet and kind person with a huge heart ~ never change...
 We love you very much and wish you much happiness and success in all you do!
 Mom & Dad

Laura,
 It is hard to believe that my little sister is graduating from high school. You are smart, caring, kind, and you have a huge heart. You always see the good in people and I envy that feature about you. I am honored to call you my sister.

There are just a few words of advice I want to tell you as you begin this new chapter in your life. Never let anything get in the way of achieving your goals, always follow your heart, and remember that you are destined for greatness. Good luck in college. I am going to miss my best friend. I love you so much.

Love,
 Meagan
