

# Christopher Wesley Padgett & Joseph Lee Padgett

Christopher,

We can't believe how fast the last eighteen years have passed. It seems like yesterday you were trying on a new pair of shoes to test how fast they were, and crying that deer season was over the year you got your first deer. We are so proud of the young man you have become. You have such a kind, tender heart and have always been respectful to others. These traits alone will take you far in life. Always believe in yourself, and follow your dreams.

We are looking forward to your journey after graduation, and we'll always be there to support you along your way!

Joseph,

From the very beginning we knew that you were the most courageous twelve year old we had ever met. Your determination and pride has placed you where you are today.

You have made us proud by watching you overcome the many obstacles that life has faced you with. We've enjoyed the simple pleasures in life with you, down to teaching you what a BLT is! Stay true to yourself, keep your goals high, and life will be full of rewards. We are excited to see you take on your next chapter in life!

We love y'all so much!  
Mom and Dad
