

# Hayden Chandler Smith

Hayden,  
Needless to say, for the past 18 years,  
you have made us proud just because of  
who you are. Set your goals high - we  
know you will accomplish them. You can  
do anything that you set your mind on.  
We love you and will always be here for  
you. Consult God with all of your  
decisions you need to make and you will  
never go wrong. You'll always be our  
"Spunkin Man."

Love,  
Dad and Mom
