

Reagan Elaine Herndon

Reagan,

So, 18 years have passed quickly and look at all of the great memories we have had. All the times we have spent together have been very special.

It's time to take a moment now to tell you how proud of you I am. You have grown into a young woman who is as beautiful on the inside as you are on the outside. I am more proud of you than you will ever know.

Stay on the path you set for yourself. I will support you the whole way.

Love You Always,
Dad

Reagan,

I never imagined that 18 years could fly by so quickly. Your senior year has come and gone. It is now time to begin the next chapter of your life. I could not be any prouder of you! You are a beautiful person, both inside and out. Your infectious smile radiates to all around you. Keep your faith and always be kind. Believe that you can be anything you want. Never settle for anything less than you deserve. Remember that all of your dreams can and will come true. I am blessed and thankful to have you as my daughter, my best friend and the biggest inspiration I know. You are truly an angel. Believe in yourself and follow your heart. I am always here for you. I love you every second of everyday!

All my love,
Mom
