Thank you for always taking care of me-taking me to school, helping with school projects. I'll miss you picking on me, dancing and singing. Thanks for the Laughs.....Luv Brandon

For 18 years, I have watched you grow from a cute little girl, to a beautiful young lady. I have always ensued in you to be the best you can be. You are true to yourself and that is what I love about you. Once you set your mind on what you want, the Sky is the limit, so Go For It...

Devin Summer Adams

Dear Dev,
Seems like it should be 1996. The day our lives changed for the better. No one could have prepared us for the love we feel for you. When you were younger 2014 was so far away and now graduation day is here. Even though the years have flown by, everyday being with you has been filled with love, laughter, a few tears and a lot of adventure. You have grown into such a beautiful, kind, loving and caring young lady. We are so proud to be able to call you our daughter. We know you will succeed in all you strive for, but remember Momma and Daddy will always be there to catch you if you fall. Never forget Momma and Daddy love you more than all the stars in the sky, leaves on the trees, and grass on the ground. Congratulations!

Love Always,
Momma and Daddy
