

Jaime *Alyn* McLaine

Dear Jaime,
 It's hard to believe how time flies. It seems like just yesterday you were graduating from kindergarten. You have grown into a beautiful, intelligent, young lady. Words can't begin to describe how very proud we are of you and your accomplishments as well as the person you have become. You will soon be going off to college and starting another chapter in your life. We just want you to know that whichever path you choose will be the right one and we will be behind you no matter what. We love you very much and remember that we are only a phone call away.

Love you,
 Mom & Dad
