

# HALLOWEEN

The Dukes of Hazzard was well represented by Will Carter, Madison Avant, and Mark Hughes.

Callie Griffin and Madison Stieglitz decided that Spongebob Squarepants' friends, Mermaid Man and Barnacle Boy, should visit CPA for the day. Thanks to Taylor Marsh, Brianna Tyler didn't have to walk across the street to visit the Assisted Living Home. Alex Sanders must have spent all night gluing pom-poms to her shirt to create a human gumball machine!

The Phantom of the Opera is there inside your mind, well at least Haley Pye's mind! Teenage Mutant Ninja Turtle Molly and Conductor Taylor Marsh are ready to walk around the school and show off their costumes! Sam Murdaugh was the perfect Belle!

Even the Kindergarten students got to dress up this year! They enjoyed seeing the seniors' costumes while they ate yummy snacks at their class party.
