

The Arts

From musical opportunities at CPA like chorus and drum line, to drama classes and skit groups and multiple art classes, CPA has a constantly growing Arts program that proudly performs thought the year.

The largest show for the Arts Department every year is the Spring Showcase. For the 2014 year, the theme was "That's Entertainment!" The many acts included all kinds of students, and faculty performing

movie themes, *Little Rascals* and *Annie* skits, TV show themes, commercial jingles, and even drum arrangements of "Hedwig's Theme" from Harry Potter and the well known Survivor song, "Eye of the Tiger."

This year's annual Christmas program titled "Forever Christmas" was directed by Mrs. McMillan and included the Lower School, Middle School, and High School Choruses, several student volunteers, and Mrs Cawley's 10th grade drama class.
