

Megan Renee Walling

Megan:
The past 18 years have really flown by fast! You have grown into a beautiful young woman and we are so proud of who you have become. You continue to make us proud and know beyond a shadow of a doubt what a fine adult you will become. You are such a sweet, loving, and thoughtful person. We love you for who you are. We have often spoken about how it is better to give than to receive. Not all gifts are tangible: there are gifts of time, compassion, sharing, listening, and most importantly love. Remember to always work hard and put 110% into everything you do. Believe everything happens for a reason. No matter what happens, believe that if you persevere, you will benefit even though it may not be in the way you anticipate or wish. Always be a leader and not a follower and stand up for what is right. As you head out into this world, always remember that we are your family and will always be here for you! Enjoy the journey and embrace new experiences in this next chapter of your life!

*We love you!
Dad and Mom(your bff)*

Megan:
I'm really gonna miss you when you go to college! But finally - I get to be the only child! Have fun! Love you!
