

Mark Edward Hughes

Mark,

From the moment you were born, you stole our hearts. It's been a true blessing having you for a son. It's hard to believe you're a senior about to move on to the next stage of your life. We are so proud of everything you have done. You are so smart, athletic, well-mannered, we could go on and on. Just know that we love you so very much and wish you all the luck in the world in all that you do. Dream big, son and work hard and your dreams will come true.

Love,
Mom and Dad
