It is hard to believe that you are graduating. You have grown into a BEAUTIFUL young lady and have always made us very PROUD! As parents we protect you, encourage you and will LOVE you with all of our hearts. We can only IMAGINE the adventure that your life will take you on. Always dream big and reach for the stars as you start the next step in your life. Always be yourself and KEEP SMILING!

We LOVE you to the moon and back.
