*Lexie,*

I can not believe that Daddy's little girl is graduating this year! I am so proud of you & the beautiful person you have become. It feels like yesterday I was dropping you off for your first day of pre-school. You set your goals high and always worked hard to meet them. I wish nothing but success for the years to come.

*Love,*

*Daddy*

*\*Always remember you are "DADDY'S LITTLE GIRL"*

First and foremost, your father and I want you to know that we love you very much. The past 18 years have flown by and our little boy has now become a young man. We have watched you grow physically, mentally and spiritually. Our hope for you in the future is that you do what makes you happy and allows you to prosper. May God guide your footsteps into the future as you make your way. Remember that no matter where you go in life or whatever you do, we will always be here for you. We love you and wish you all the best that life has to offer.

*Love, Mom and Dad*
