

Katherine Alexandra

From the moment you took your first breathe you took our breath away! Still today you take our breath away in everything you do. We are very proud of the way you keep your faith, and strive to achieve all of your lives goals. We pray that you continue to keep those at the forefront of your life. We have loved watching you grow into the woman you have become. Know that we will always be there in your heart even when you are 5 hours away at Valdosta. You will always be our beautiful Sweetpea!

We love you,
Grammy and Papa
