Warren - Bestie,  
Wow, You're graduating, where has the time gone? You've gone from being a very small baby who was determined to arrive early to a handsome young man determined to do things your way and I've been blessed to witness it all. As one chapter closes and another begins don't every doubt that you have a purpose. Discover what - and who - you love, hold onto both and above all else be happy.

Love you, mean it, always.

P.S. Remember Proverbs 3:5-6

Congratulations!!

Dear Warren,  
Well, you finally made it. I'm proud of you. Thank you for our heart to heart talks late at night. Thanks for always being there for me when I call. I'm going to miss seeing you all the time. Don't worry about anything here. You've taught me well.  
Love Forever,  
Your little sister Laura

The British SAS has the motto "Who dares wins" in your case try and you can soar higher than a SR-71 Blackbird with the accuracy of an A-10 Warthog.

Dear Warren,  
I'm really going to miss you taking me hunting on Sundays, but I'm so glad you were with me for my first deer. I'm going to miss our talks, but I'm proud to be your sister and your favorite. Thanks for always watching out for me. I love you.  
Love,  
Your Favorite

I can't believe my precious little blonde grandson (that cried when there was no pound cake) is all grown up! I'm proud of you, Warren, and love you so much. Gigi
