

Agnes Penelope Tuten

P,
 It has been an amazing adventure watching you grow into the young lady you are today. From our walks on Tuten Road, watching as you became a wonderful big "Sissy", hunting and fishing trips, chasing that little yellow ball, family vacations and checking on cows, you have helped fill our lives with such joy! You have always had a mind of your own - from refusing to dance at the Rice Festival to not letting up on the fouls playing basketball. Although we hate to admit it and it drives us crazy sometimes, we admire that trait. Continue to use that stubbornness to your advantage! Please know that you are very special to us both, and we are both immensely proud of you. We will always be here for you! Remember we are only a phone call away. Chin up - You've got this!!! We love you!
 Dad and Mom

P,
 You're the best sister a brother could ever have. No one can replace you. Thanks for always being there.
 Love,
 Parker
