

Lawson,
 The cliché is true - Time does fly!! It really does seem just like yesterday that we were blessed with our first precious blue-eyed baby boy. You have been such a delight to watch every step of the way and the only tears that have been shed have been those of pure joy and happiness. We have loved every minute of "the ride" with you - Soccer Games, Basketball Games, Football Games (until you were "Floundered" as you put it), Baseball Games, Hunting (every type of Wild Game there was) and of course, all the school field trips, programs and events. You are a kind, gentle-hearted, patient young man with a sense of humor that makes us laugh even when we don't want to. You have been such a great role model for your younger brothers and for that we are so thankful. We are so proud of you and the path you have walked thus far and can't wait to see what great things your futures holds. We will continue to love and support you in all your endeavors. Remember to always put God first and to trust in his plan for you.

With All Our Love,
 Mom and Dad

Lawson, In the New Testament-Phillippians 1:27, Paul writes that we must live in a way to bring honor to God. He continues in verse 28 to be brave as we face enemies. In 4:4 "Always be glad because of the Lord. Don't worry about anything, but pray about everything". Because you belong to Christ Jesus, God will bless you with peace that that no one can completely understand. This peace will control the way you think and feel. We are told to keep our minds on whatever is true, pure, right, holy, friendly, and proper. You have another chapter of your life to begin, and we look forward to seeing how you seek many challenges. You are a fine young adult, and we are very proud of all you have accomplished.

Love,
 Papa and Granny

Grandpa Billy and I were blessed to share in your life and are so proud of the fine young man you have become with your many achievements. I wish from both of us that your life ahead is happy and successful in everything you do.

Much Love,
 Granny Cheryl

Lawson Hayes Griffith
