

KATIE & WIL

It is hard to sum up the 3 great years we have had and also hard to say goodbye to seeing you everyday, but I look forward to what the future holds for us and the many memories yet to come.
Love,
Katie

It's hard to believe that three years ago I finally got the courage to ask you out and now in a few short months I'm going to have to say the hardest goodbye I've ever said. I'm proud of the young woman you're becoming and all of your accomplishments. Thank you for always being there for me when I needed you and supporting me in everything I do. I know college is going to rough on us but I know you and I will make it. Thank you for being the best girlfriend/friend I could ever ask for.
Love,
Wil
