# Foreword - - -

Walk with us as we, the Senior Class of Cottageville High School, present the XIII volume of the Cypress and Pine. Although the pathways were not always smooth and we made many tracks that we would like to erase, our journey, as a whole, has been an interesting one. Through these pages we hope to bring back many pleasant memories. As the road broadens out and we leave Cottageville High School, we hope each of us will travel in a direction that will lead to success and that will reflect glory on our Alma Mater.
