Dedication

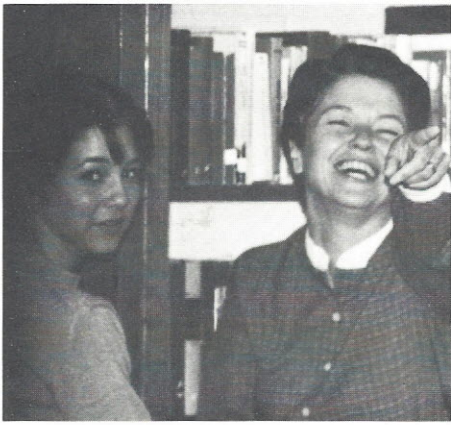

Mrs. Judith Wagers

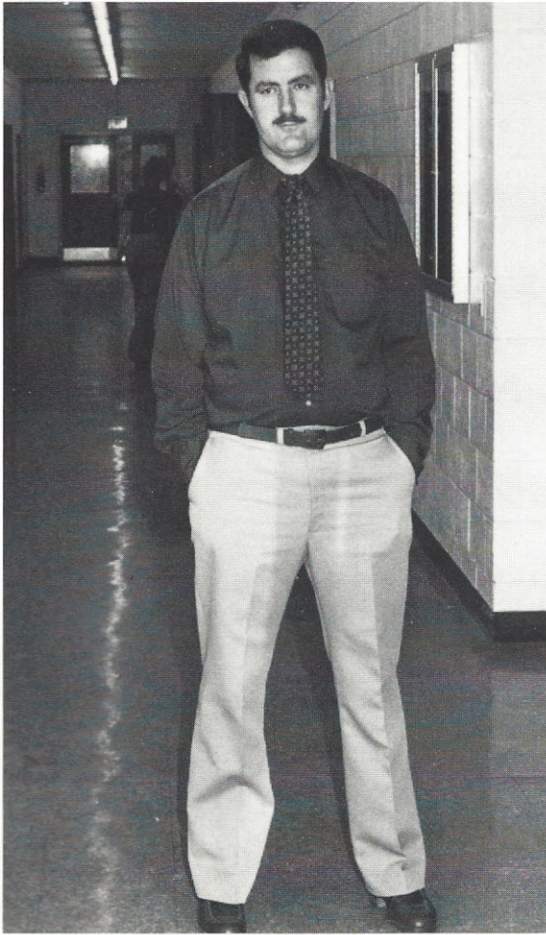

There has been someone in Dorchester Academy's history who has shown a deep sense of loyalty and concern for this institution. She has cheerfully and unselfishly given of her time and ability, and has taken an active part in school activities. She has served faithfully and efficiently as secretary to the school for the past ten years. To show our gratitude to her, we, the Challenger Staff dedicate our 1982 Challenger to MRS. JUDITH WAGERS.

Seniors!

Brian,

You're a really sweet and great guy and I am glad we got the chance to know each other this year. The year was great, and you helped make it that way. (Especially when you picked the winning point against Mims and when you agreed to be in Homecoming!) I'm really looking forward to next year and us becoming closer friends. Thanks for always being a friend. I hope next year will be as wild as this one was. Hope you had as much fun as I did. Good luck in all you do and best wishes always.

Love ya always!
Karen

Keep in touch over the summer; Have a good one!

Infinger Lumber Company was established approximately 52 years ago. At its inception it operated under very crude and primitive methods. Cutting down trees, as well as most other jobs, was done almost entirely by hand. Today, however, it is equipped with some of the most modern methods of lumbering. New and creative innovations have taken over at Infinger Lumber Company where progress is the name of the game.
