Dedication

Dorchester Academy is fortunate that it has always had many concerned people who have willingly given their time and support to help it prosper. For the past ten years, one such person has set an example as a parent and teacher that her students would want to follow. Because of her dedication and concern for everyone, the 1983 Challenger Staff proudly dedicates this annual to Mrs. Dorothy Murray.

*It is not growing like a tree
In bulk, doth make man better be;
Or standing long an oak, three hundred year,
To fall a log at last, dry, bald, and sere:
A lily of a day
Is fairer far in May,
Although it fall and die that night;
It was the plant and flower of light,
In small proportions we just beauties see;
And in short measures life may perfect be.*

Brian,
Well, it's hard to believe we will graduate next month. We have had some fun times this past year, especially in Mr. Watford's class. You are a very sweet person with a terrific personality. You are a special person too me and I can never thank you enough for all the help you have given me in French. Don't forget me next year. Stay sweet and keep in touch. I am sure you will go far in life.

Love ya,
Theresa
