

We were truly blessed with a precious daughter on 9-7-83. It took a while, but you finally arrived. You came into this world determined and energetic with a sweet, loving personality. From the very beginning you were sure to make your presence known. You have proven for 17 years this is truly your trademark.

For as long as we can remember, you've been a true leader, very seldom a follower. You may not have chosen the right path every time, but we all learn from our mistakes. I guess no one can be an angel with wings all of the time. I'm sure you'll always be outgoing, looking for a party or planning one. This is okay, just remember, there's more to life than a party. Always think before you do, keeping a level head at all times. We have no doubt you will be very successful in whatever you strive to do.

You can always count on us if you need a helping hand. We will only be a phone call away. Remember, we have 800 free minutes now! Also remember, with a little effort you can do anything, even get up in the mornings!!

Many, Many years from now, we hope you are truly blessed with a daughter as precious as you. We love you dearly, "our" little angel.

"Congratulations"
Mom & Dad
