

*Our Dearest Kimberly,*

*The day has finally arrived where we come to a bifurcation in the road of your life. We have been with you every step of the way, preparing you the best we could for this inevitable journey. Know that your life must always maintain an equal balance between the mental, physical, and spiritual sides. Tend to each regularly and you will always feel an inner peace. Your successes will multiply as a result. We trust you will always proceed with honor and integrity for those are hallmark in anyone's success. But most of all know that you travel with our love and support with whatever you set out to achieve.*

*All our love.....Mom and Dad*
