IN MEMORY OF COACH WYMAN

His presence was a present to the world. He was unique and one of a kind. His life was an inspiration to many. He took days just one at a time.

He counted his blessings, not his troubles. He made it through whatever came along. Within him were so many answers. He said, "understand, have courage, be strong..."

He knew that a little love went a long way and that a lot went forever. He knew that friendship was a wise investment and that life's treasures were people...together.

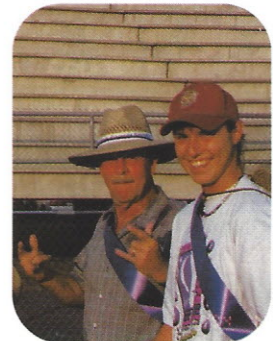

He knew that it was never too late. He did ordinary things in an extraordinary way. He took the time to wish upon a star. And we don't forget for even a day...how very special he was.

He always knew that friends were angels who lifted him to his feet when his wings had trouble remembering how to fly. He is our angel and our forever friend. Remember, he will always have a special place in our hearts –

MRS. DEE DEE MARTZOG

Deciding on a dedication is always difficult for the yearbook staff.

Over the course of our journey through school, many people have touched our lives in many different ways.

This year we have selected someone who has been with us from the very beginning. She began her teaching career at Dorchester Academy in 1992 with the class of 2004 as her first First grade class.

We thought it only fitting that we would finish our school years by dedicating our yearbook to the one who has been with us all the way—from skipping the May Pole to our final May Day program.

Thank you, "Miss" Dee Dee, for always being as "good as it gets"!

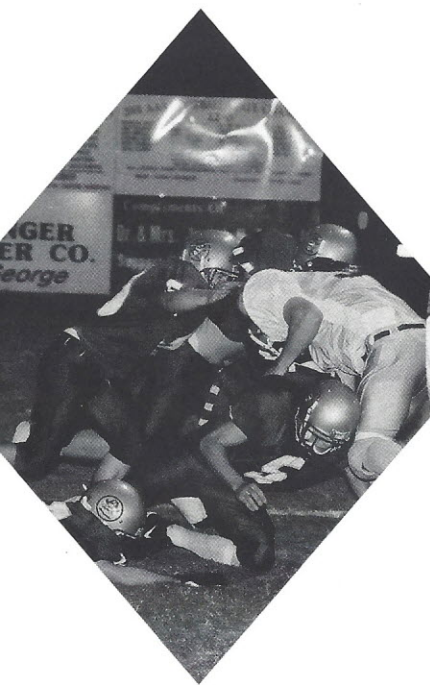

The only way to succeed is to improve on what has gone before. As students we feel that our school, our athletics, our education, our achievements, and our life all get better as the years go by. We feel that this yearbook is our contribution to making this year...
AS GOOD AS IT GETS!

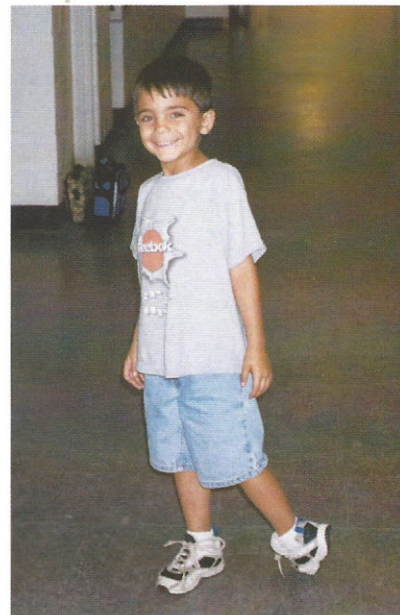

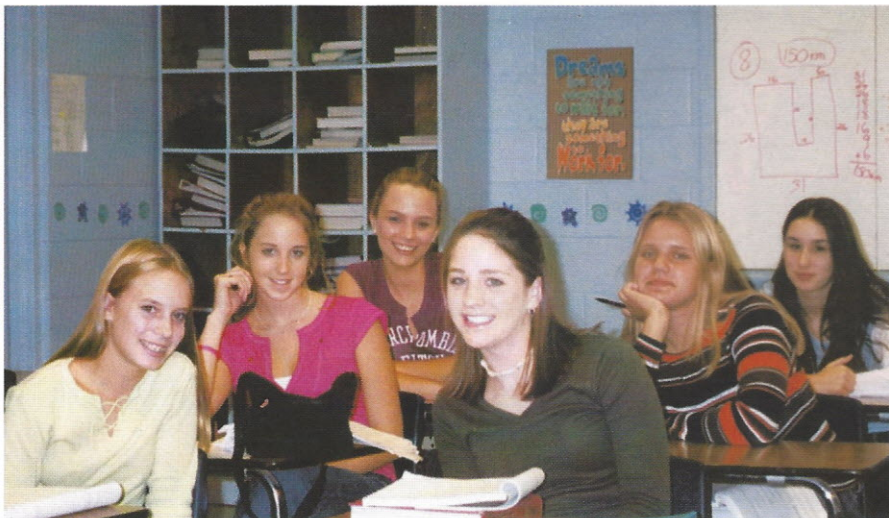

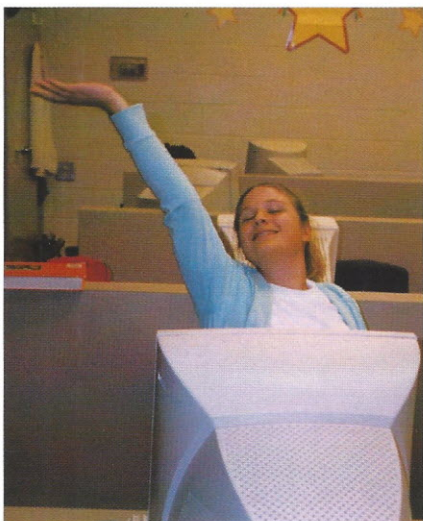

Good, Better, Best,
Never let it rest,
Till the good get better,
and the better get best.

Class of 2004 Start to Finish

The Graduating Class of 2004

The Original Class of 2004

Senior Poem

Graduation time is
growing near.
Can you imagine not being here?
We've been together through thick
and thin.
Can you even remember way back then?
As we each go our separate ways,
We must remember our special days.
The hallowed halls of old V.A.
Will influence us every day.
From championships to loss of friends
Our fond memories will never end.
And now as we venture on,
The seeds of friendship have been sown.
Don't ever forget the memories we've made
And never let our friendships fade.
We'll all remember the "good ole days"
And hope they influence our future ways.
To those who follow the Class of 2004,
Always strive for much, much more.
Work hard and strive to reach your goals
Satisfy every yearning of your souls.
To ole V.A. we say our final
farewell
And oh, oh, the stories we
could tell!

Editor of the 2004 Challenger proved to be a job filled with hard work and many decisions. However, it was a job that I enjoyed and an experience that has made me a better person. Through this job I learned that the key to success is teamwork. In the beginning, each member of the Challenger Staff accepted the challenge of making this yearbook the best. We worked hard to meet our goal and I believe that we were successful. Teamwork, dedication, and sacrifice made this yearbook "As Good As It Gets."

I would like to thank everyone who made the 2004 Challenger a success. First I would like to thank our adviser, Mrs. Schwendinger. Without her none of this would be possible. She was supportive and always there to lend a hand when we needed it. Every time I stressed out she was there to reassure me that everything was fine and when life gets you down you have to "just keep swimming, just keep swimming." Thank you Mrs. Schwendinger for not only being an adviser but also a friend.

I would also like to thank the Challenger Staff. Elliot, our Sports Editor, thanks for being my partner and the "Official Cropper." You helped me tremendously as well as the whole staff. I don't know what we would have done without you. Bec and Kimberly, our Business Managers, thanks for keeping all of the ads straight. I could not have asked for any better Business Managers than y'all. Kara, our Assistant Editor, thanks for always being there when I needed you and helping me with any decisions I had to make. Kim and Catherine, our Photographers, thanks for your willingness to always take pictures for pages and ads. Y'all helped not only me but the Business Managers as well. Kristie, our Class Editor, thanks for your hard work with all the classes and if nothing else always putting smiles on our faces. Thanks Challenger Staff for being "As Good As It Gets."

To the Class of 2004 and Dorchester Academy thanks for all the memories. Good Luck in all of your future endeavors.

Sincerely,
Kelli Reeves
Editor

Being Assistant Editor of the 2004 Challenger was great privilege, but a challenging task. This job taught me responsibility and that you cannot procrastinate if you want to meet a deadline. First, I would like to thank our adviser, "Miss" Karen, for keeping us straight. She always had patience with me from my Computer I skills to my getting hurt while taking Senior Superlatives. She was always there willing to give a helping hand. I would also like to thank our editor, Kelli, who always had everything organized, layouts ready, and a job for everyone to do. You were a great team leader and this yearbook shows it. To Bec and Kimberly, our business managers, you both did a great job. Kimberly, thanks for making the ads look great and creative. Bec, thanks for not yelling at me when I would never fill out an ad form and just tell you what it was. To Elliot, our sports editor, thanks for helping me crop pictures whenever I needed it done. To Kristie, thanks for taking the class editor job and getting all of those pages together. To our photographers, Catherine and Kim, thanks for always having a picture that we needed right there in Catherine's box of marked pictures. To the Class of 2004, we have made many memories and that our senior year was "As Good As It Gets."

Sincerely,
Kara Elizabeth Aye
Assistant Editor

Being the Business Manager of the 2004 Challenger has been an experience I will never forget. When we started this year we knew it was going to be fun, but I never knew how much work it was going to be. I would like to thank the staff for all their hard work. Kristie, Kim, Catherine were always there for me when I needed help. They helped do most of the ad pages with me. Without yall I would have never gotten it done. To Kara and Elliot: Thanks for always cropping pictures whenever I needed them done. It meant a lot to me. To Kelli: You were the best editor ever. You always kept us doing what we needed to and on track. We knew everything would turn out okay in the end. To Bec, I am so glad I had another person to help me. That would have been too much for one person to handle. You were a tremendous help and I know I couldn't have got it done without you. Most importantly I would like to thank Mrs. Karen. You had to put up with us all year. I know if you never hear your name called again, it will be too soon. Thank you for always being there to help me with the ads and anything I needed you for. Thanks! I know we worked very hard on this and I hope everyone will enjoy it. To the Class of 2004, I love you all and I can't wait till Jamaica. We are "As Good As Good It Gets!"

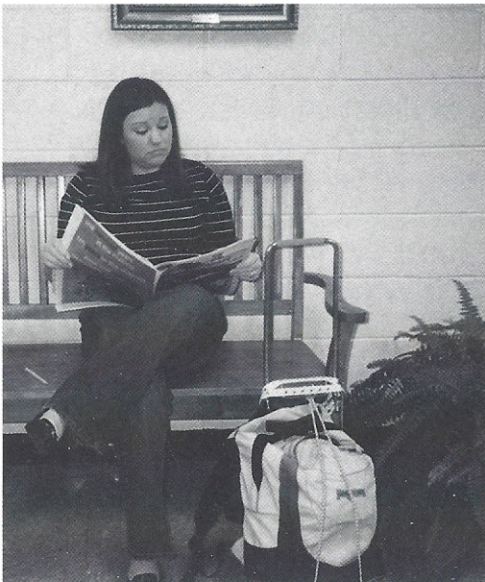

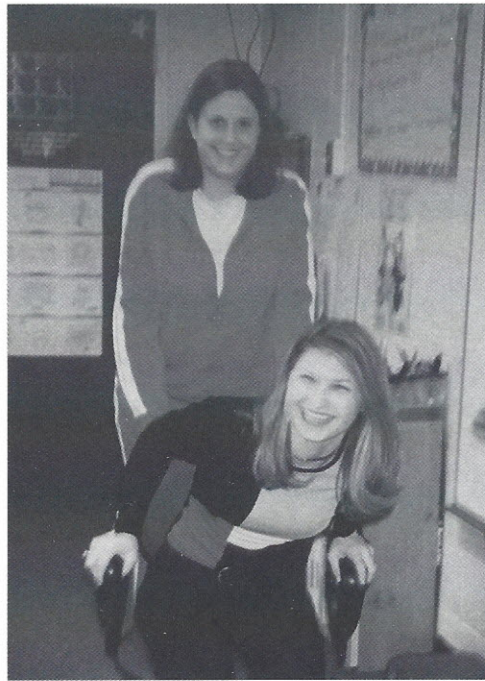

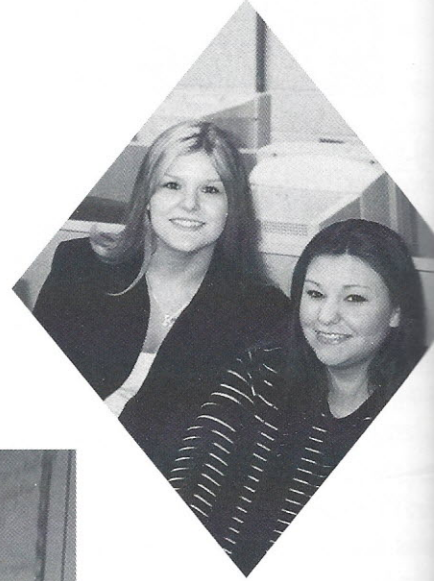

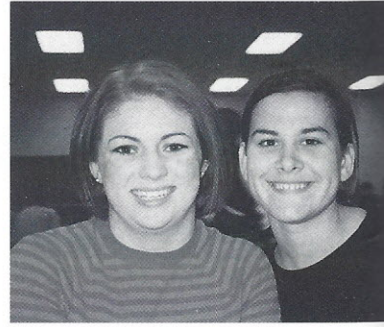

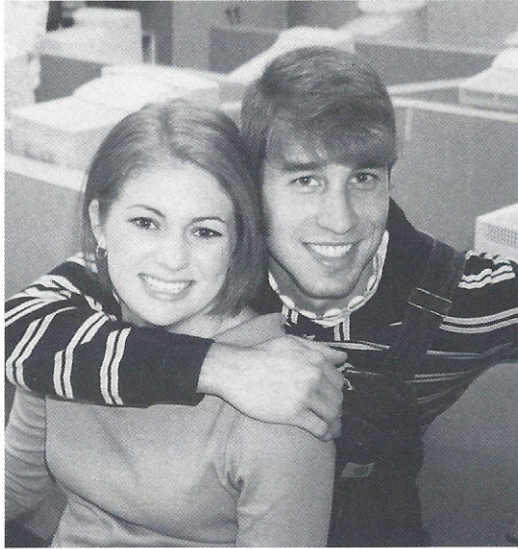

Sincerely,
Kimberly Lynn Home

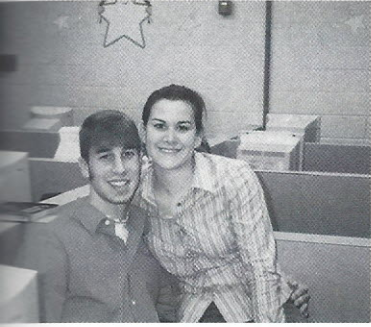

Being Business Manager of the 2003-2004 Challenger has been a big challenge in my life. One of the most important things I've learned this year is responsibility. With this job came many responsibilities such as: meeting deadlines, cropping pictures and handling a lot of money. All of these things couldn't have been done without the entire Challenger staff. Even though there were only eight of us we had a great time and met all of our deadlines. First I would like to thank "Miss" Karen for putting up with me and answering all of my questions. Thank you for giving me this important position. You are truly an amazing person, and I am going to miss you so much. Kimberly, I don't know what I would have done if this job wasn't split between two people. Thanks for helping me and always being there when I needed you. Kelli, thank you so much for always looking over my pages to make sure they were good and telling me the truth when they weren't. Kara, Kelli and Elliot thanks for cropping pictures for me and making sure your ads were always turned in on time. Kim and Catherine, our photographers, thanks for always being there to help me when I needed it. Without you two taking the business ad pictures the yearbook couldn't have been completed. To the graduating class of 2004, we finally did it! I'll miss all of you; good luck in the future and remember we are "As Good As It Gets."

Sincerely,
Rebecca Anne Murray

Yearbook

Class

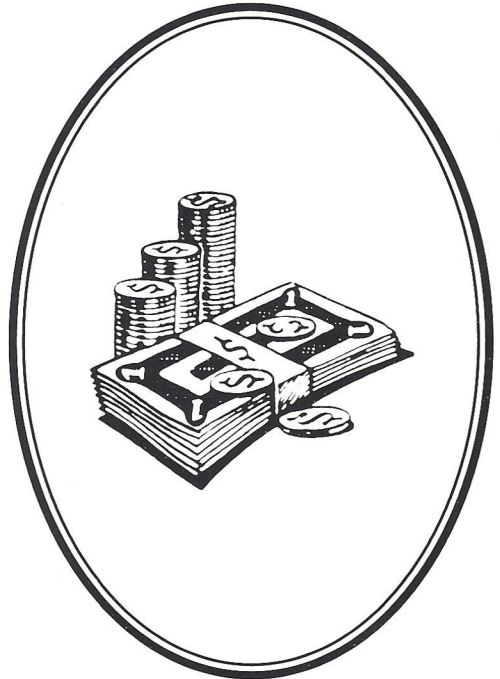

“Miss Karen,”

When creating a successful yearbook, a staff needs an advisor who is always willing to help guide them through all of the deadlines. Our 2004 yearbook would have never been “As Good As It Gets” without your help. This year will be one that we will never forget. Even with all of the drama, like having to retake class pictures and the “baby picture thief,” we have managed to make it through it all. We appreciate your help and dedication to our staff. We will miss you next year! We love you!!!

*Love,
The 2004 Challenger Staff*

DEAR SI,

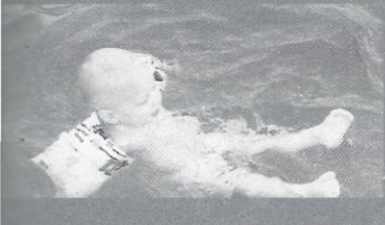

IT SEEMS LIKE ONLY YESTERDAY WE WERE RIDING TO CHARLESTON TRYING TO THINK OF A GOOD NAME FOR YOU. SILAS JUST SEEMED TO FIT, THEN AND NOW. IT IS SPECIAL JUST AS YOU ARE. WHEN WE TRY TO THINK AND SAY ALL THAT YOU MEAN TO US, OUR EYES FILL WITH TEARS. WE WOULD NOT CHANGE A THING ABOUT YOU. ONLY GOD CAN SEND A GIFT AS YOU AND WE THANK HIM FOR LETTING US BE THE ONE HE CHOSE TO BE YOUR PARENTS.

TIME IS SHORT. OUR TIME OF INSTRUCTION IS ALMOST OVER. YOU WILL BE MAKING DECISIONS ON YOUR OWN. IT IS NOT EASY TRYING TO DECIDE WHAT TO DO WITH YOUR LIFE, BUT WE WILL DO THINGS THAT NOBODY ELSE CAN. SEEK GOD IN ALL THAT YOU DECIDE.

JUST A BIT OF ADVICE. KEEP YOUR EYE ON THE BALL, HIT IT STRAIGHT, AND ALWAYS PLAY FOR THE NEXT SHOT.

WE LOVE YOU MORE THAN WE CAN EVEN EXPRESS IN WORDS. THANKS FOR BEING WHAT YOU ARE AND ALWAYS KNOW WE ARE HERE FOR YOU.

LOVE MOM & DAD

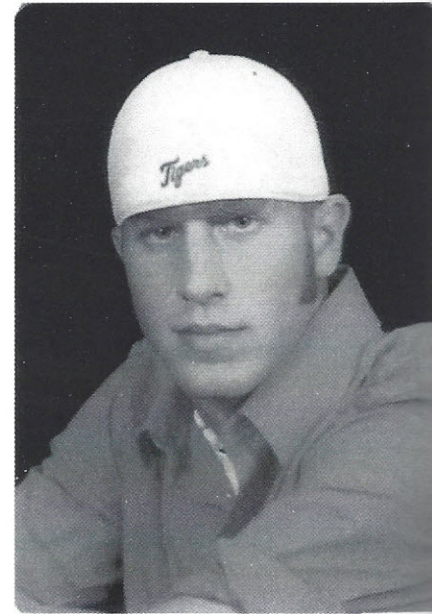

To Elliot – the light in our lives.
Our wishes for you are too many to
count,
So we'll just wish you love.
Everything magic and everything real,
Everything that matters – springs from
that.

We are proud of you!
We love you!
Mom and Dad

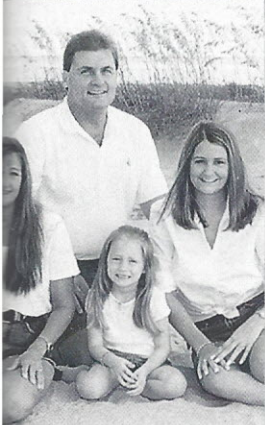

Elliot,
I am really going to miss you next
year when I can't argue with you
every day. Thanks for always
looking out for me and remember
that I'm always here for you. Good
luck in college!

I Love You!

Elliot,
Once in a while we find
someone that we can
exchange trust in one
another...I know because I
found you a really good

Your brother,

Whitney,

On July 31, 1986, I was blessed beyond words to have had YOU! It's hard to believe the time has come for you to graduate. There will be an emptiness inside me, but I cherish the time we've had together. I've watched you grow up and become your own person and I know that life holds many special things for you.

There will be good days as well as bad, but remember that good things come to good people, and that without a doubt, you are one of the best! You grow smarter and more beautiful everyday and I am extremely proud to be your mother.

I always want you to be happy. Make everyday of your life worth while. Disappointments and heartache are a part of life, but remember... Whitney, when it comes to hopes and wishes and dreams, the very best are for you...from ME! I love you!

Mom

Whitney,

You are a wonderful sister. I will miss you. I love you.

Love Taylor

Whitney,

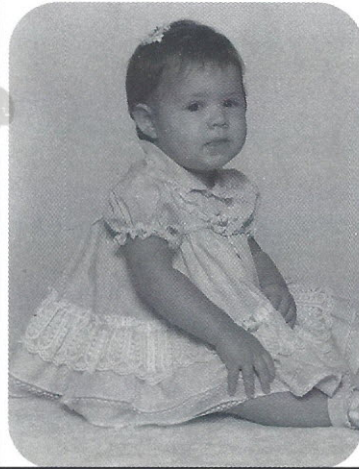

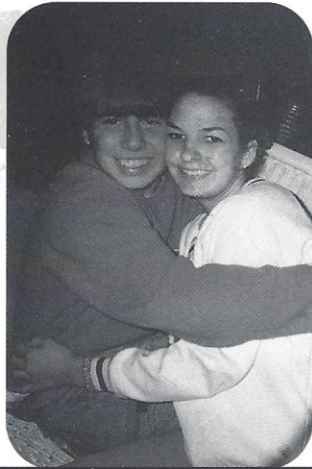

I wish you all the best in your future and career. I am so proud of you and your accomplishments. Remember there are many choices in life we all have to make. I am sure you will always make the right ones. I will always be there for you not only as a DAD but also as a friend who loves and cares for you more than you will ever know!

Love Jeff

Jessica,
 The past year and a half has been the best. I wish nothing but the very best for you in all you do. Just know I will always be here for you.

I love you,

Katie,
 You may not see the angels
 you may not see the air
 but our love for you
 you can feel, its everywhere
 (Bubs) Johnnie and Jarrett

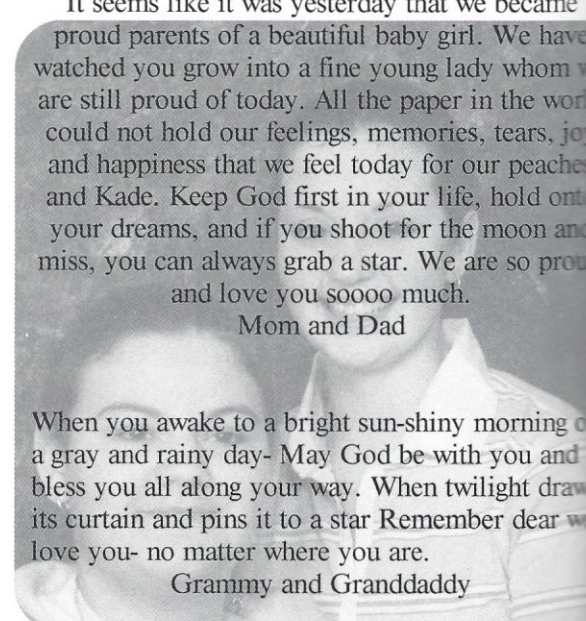

It seems like it was yesterday that we became proud parents of a beautiful baby girl. We have watched you grow into a fine young lady whom we are still proud of today. All the paper in the world could not hold our feelings, memories, tears, joy and happiness that we feel today for our peaches and Kade. Keep God first in your life, hold onto your dreams, and if you shoot for the moon and miss, you can always grab a star. We are so proud and love you soooo much.

Mom and Dad

When you awake to a bright sun-shiny morning or a gray and rainy day- May God be with you and bless you all along your way. When twilight draws its curtain and pins it to a star Remember dear we love you- no matter where you are.

I know what you're feeling as I sit in my seat
 I glance up, and our eyes meet
 you're standing there in your gown

 thinking your first day would be hard on you
 Little did I know when I left you there it was

 will do great. Love, Mom

Wes,

Time has slipped by so quickly. It is hard to believe that your Senior Year is nearly over.

We are so proud of your past and present accomplishments. We look forward to seeing what the future will bring to you.

Remember that we will always be there for you. We love you with all of our hearts!!

Love, Mom and Dad

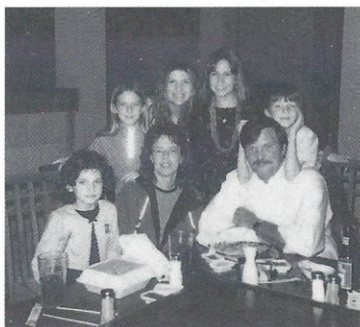

Congratulations LeAnn!

We are so proud of you. You have always been a determined person, and whatever you aim for you will accomplish no matter how or what it takes. So, stay "Bull Headed" and make the best of yourself! We know that you will be successful in whatever path you take. Always keep that smile on your face and remember to trust in the Lord Thy God and follow him all the days of your life.

We love you,

Moma and Pop

My Baby Boo,

How do I sum up what you have meant to me for the last eighteen years? You brought incredible joy into my life from your very first day. The pride and love I felt the first time I saw you has only grown and magnified each and every day. Watching you grow up has been amazing, there are times when I am not sure who taught whom the most. You are an incredible person with wisdom beyond your years. You have the capability to bring a smile to people's faces with the simplest of ease...do you realize what kind of gift that is? Please cherish it and use it each day; there is no greater joy than a smiling face.

Your wisdom comes from your independence, always wanting to do things yourself. Take pride in the fact that you can do whatever you want, but remember there are people behind you, waiting, in case you need help. You will never have to do everything by yourself.

You are destined for great things, the special way you have with children, the love and affection you show others and that smiling face, all these things combined will help you decide which road to take for your future. Remember, no matter which road you take, it will have curves, bumps and crossroads. All of these are decisions and obstacles don't let them stop you. Follow your heart, believe in yourself and know that we stand behind you.

The next couple of months will be hard. Adjusting to you not being around everyday to tell me what to do and how to do it...how will I ever manage???? Don't fuss at me when I cry at your graduation...they will be a mixture of tears of pride and tears of sadness. The sadness only being that my little baby boo is all grown up now. You may think at times that you don't need your mom always hanging around you, and I really try to understand that, but just remember you will always be my baby girl and I will always be protective of you... no matter how old you get. You and I have always been close, we haven't always seen eye to eye on things, but we have always respected one another's opinions. That respect comes from love. When you love someone you are will to listen and sometimes when you listen you learn new things and you have so many new and exciting things to learn and look forward to in your future.

I love you with all my heart,
Mom

It's hard for me to believe how your school years have passed so fast. It seems not long ago you were just a baby. The day you came into my life was the proudest moment in my life. As you move on to new things in life always remember the standards in which you have been raised. You have become such a beautiful and smart young lady. Your entire family is very proud of you and will always support you. I want you to always remember that I am here for you when you need me.

I love you,
Daddy

Bec,

The house will be quiet when you go to college and I will be an only child...finally!(haha) I will miss you. Thanks for taking me with you everywhere you went. You didn't have to but I am glad you did. You have been a great big sister, bossing me around and keeping me straight.

I love you,
Charlie

Wes,

It seems impossible that my grandson is a Senior. You are so special. I remember your first Christmas when we placed you under the tree for a picture. You truly were a gift from God.

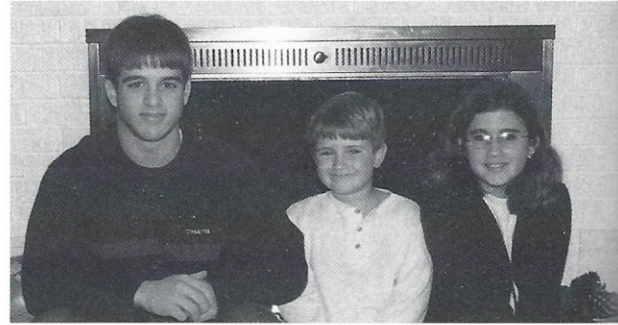

I've seen your strength in playing sports and participating in other activities. I've also seen you strong with your decisions and convictions. This is one of the reasons that I know you will achieve whatever you want to do with your life.

I'm so proud of the young man that you have become. I'll always be here for you and I love you very much.

You are a Beautiful Daughter, and I thank God for you. From the day you were born you have made me a proud Mom! I will always treasure our memories. It is so hard to believe that "My Little Girl" is all grown up. Graduating from high school is your first "Big" accomplishment, but it is not over... your life is just beginning!! It is my hope that you will enjoy your college years, and reach all the goals you set for your future! Remember the talks we've shared and know that wherever you go I will always be with you - - for you are a part of my heart. Stay on the right path and you will succeed. Trust in God, and He will guide you. You are a Wonderful Daughter!

I love you,
Mom

KACY DANIELLE HORNE

Kacy,

You are a Great Young Lady. You are so organized and a big help around the house. We will all miss you when you go off to college, but we wish you lots of happiness. I will be here if you ever need me, and when you come home don't forget the donuts!!
Love, Mr. Wayne

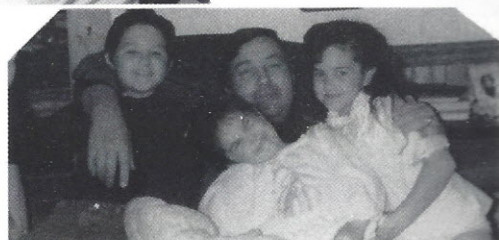

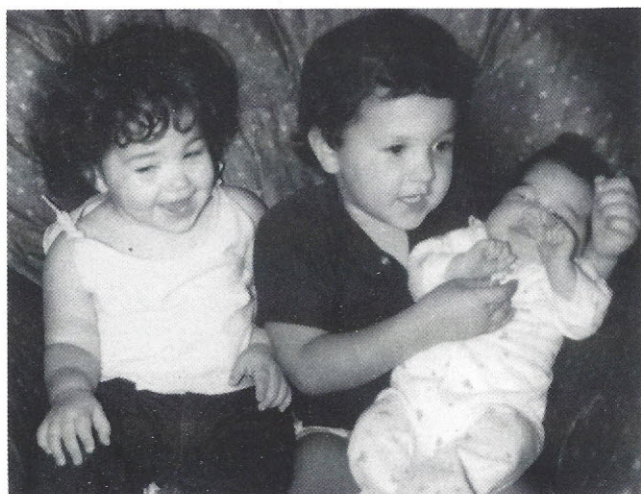

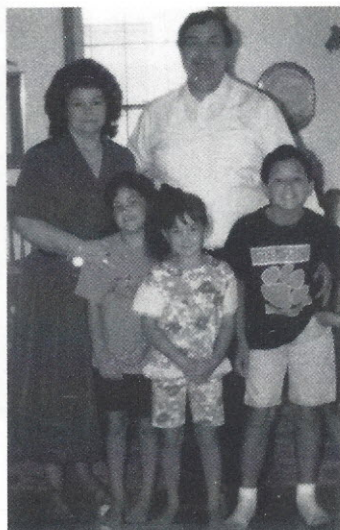

KACY D. HORNE

Kacy,

The day you were born was one of our happy days. God sent us a beautiful little, black haired, round face, brown-eyed doll baby. You were always so sweet. You have always been so grown-up and helpful, even in your childhood days. I will always cherish our times spent together – playing dolls, singing with the microphone, vacations and the big one – shopping at the mall. Now you're all grown up and ready to graduate, then off to college. Never change your ways, always remember you can be who you want to be, and always keep God in your life.

I love you and I will always be here for you.

Love, Grandma

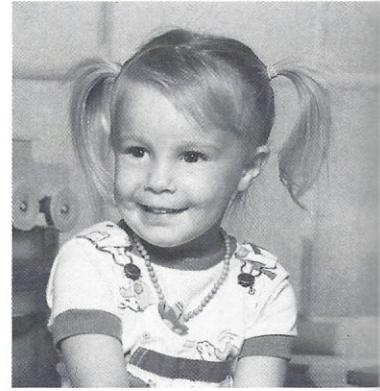

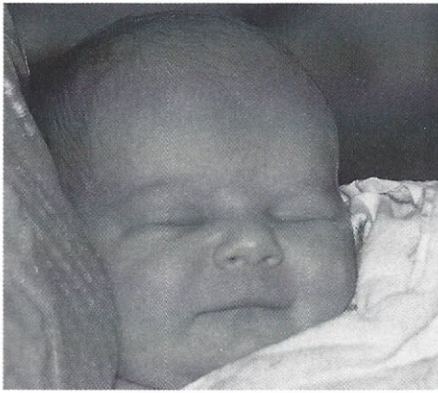

Kacy,

When you were born I said, "Granddaddy had his Little Girl back again." You were beautiful. Watching you grow up has made me happy. It is amazing how you keep everything so neat and in place. I love the times we have had together and look forward to many more. I Love You so much. Stay the way you are and keep God in your Life.

Love, GrandDaddy

Kori Michelle Kizer

A daughter is one of the most beautiful gifts that life has to give

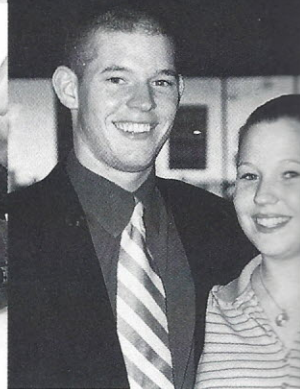

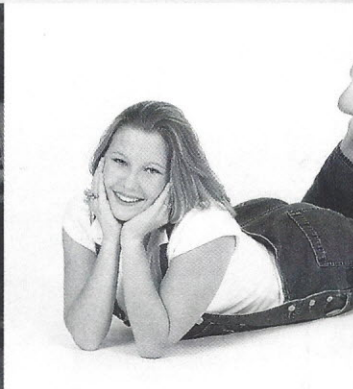

It seems like only yesterday we tucked you in at night, always whispering a prayer of thanks. Not so long ago, we were dancing around with you in your Cinderella dress, going shopping with Gus, and reading storybooks until you were asleep in my arms. Overnight, it seems, you turned into a beautiful young lady with those same bright blue eyes and a smile that is the sunshine in our lives.

Always remember how very, very much We Love You~ and we wish for you
All the happiness your heart can hold.
Momma and Daddy

CONGRATULATIONS KORI!!

I'm proud of you! Always remember to follow "the path" & enjoy the ride!!
Love you ~Kris

You finally did it!
I hope the best for you in the future!
I love you! Duane

Jay,

Aunt Letha use to call you "the miracle baby," and indeed you were. With God's help, you defied all odds and were born healthy, intelligent... and we won't leave out-- quite handsome. Most importantly, you became a wonderful, integral part of our lives.

Through the years, you've encountered numerous bumps and difficulties in the road of life- definitely more than your share! But you have endured them. Evidently, God gave you an extreme amount of determination, because you have not only persevered, you have continued to be an achiever and to be a blessing to your family and friends!

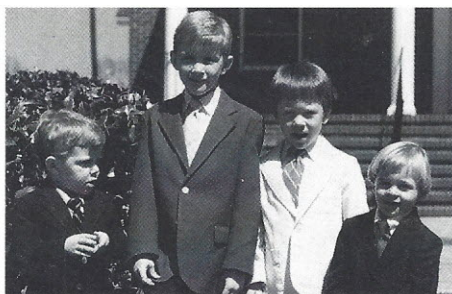

Always remember that God's love permits such seemingly unfair difficulties in our lives so we will learn to depend on Him and grow in Faith. If you live by Phillipians 4:13, "I can do all things through Christ who strengthens me," you will be able to soar victoriously above the troubles that come your way and will continue to be successful in the years ahead. We love you so very much!!!

Love,
Mom, Johnathan, Lance, Amy, and Lisa

Jay, You're a wonderful son,
brother and friend

You were a delightful bright-eyed
child- full of love for everyone
around you.

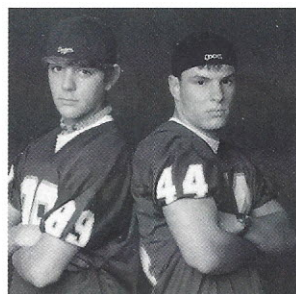

(From Left) Jay, Lance, Johnathan and David enjoy a bright Easter day in 1989.

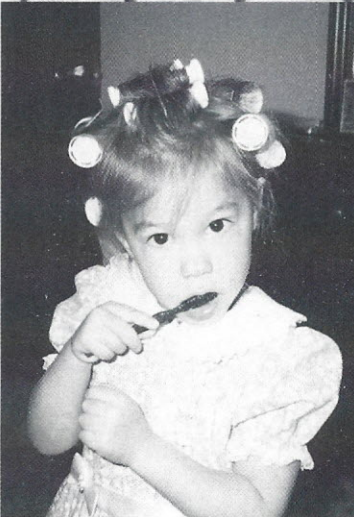

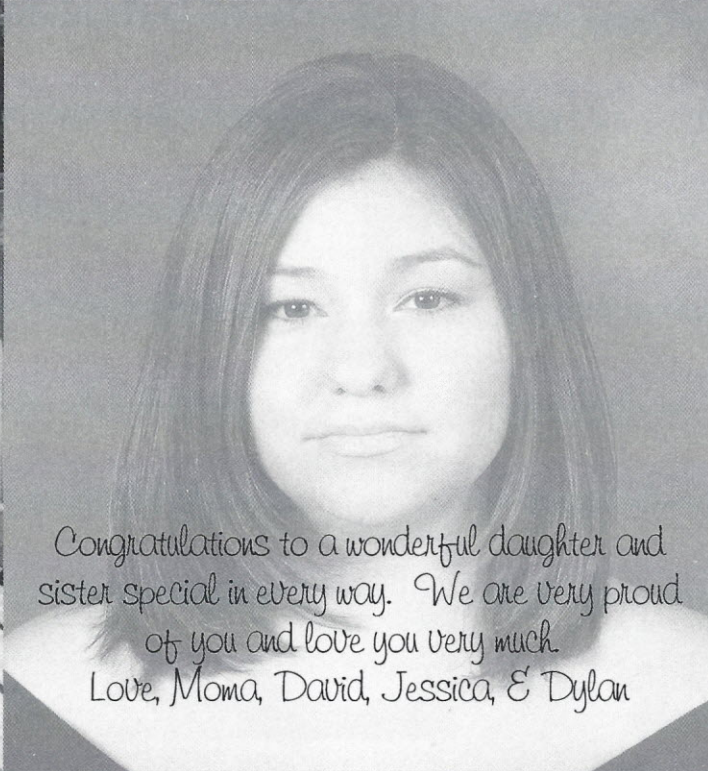

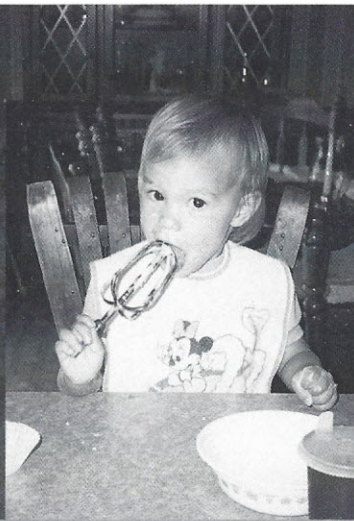

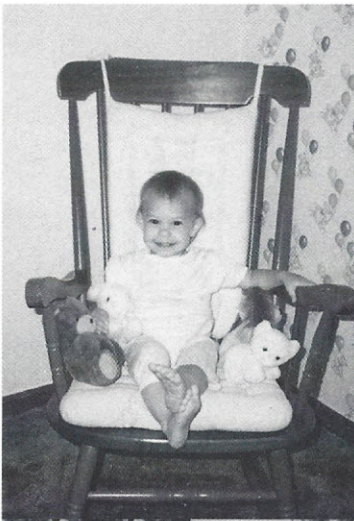

Jay and David celebrate with their first T-Ball trophies.

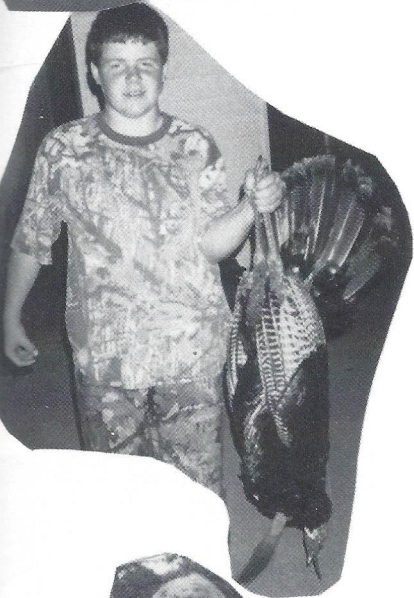

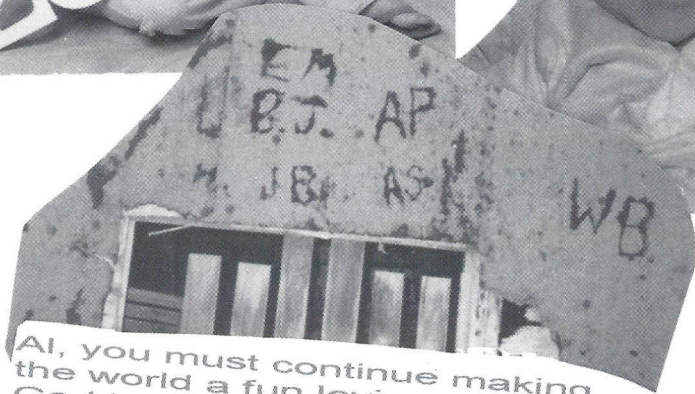

Jay and David have enjoyed many years of sports, including some tough years of JV football.

Jay and Bobby will be friends to the end.

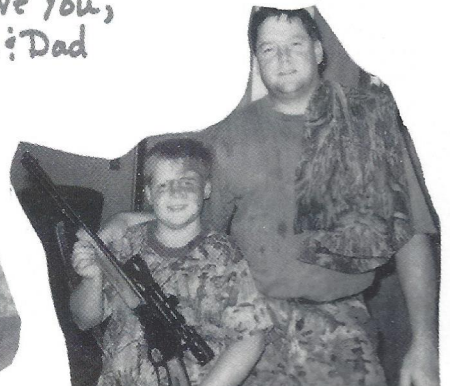

Al, you must continue making the world a fun loving place. God has made you the way you are, he has given you the power and strength to keep your family and friends safe. Everyone knows you are with them in your thoughts like a man of great unpredictable strength. You've always kept others guessing what your plans were. Little do they know but you plan to be with them anytime.

You have been taught how to be a man by your father, grandfathers, and great grandfather. Keep a bit of all of them in your memory bank. These men have helped you know where you have come from, helped you with trials that have tested you, they have taken you on many journeys, and they have helped you face many enemies. Your father has preached Matthew 7:1 and you preach Matthew 6:26.

We love you, enjoy you, admire you, think of you, pray for you, dream of you, and we will always be anywhere for you.

We Love You,
Mom & Dad

Courtney,

It is so hard to believe my baby is getting ready to graduate from high school and aspires to continue her education to become a nurse. Where have the years gone? You have been such a blessing and we are very proud of all you have accomplished. You have great gifts to offer: love, kindness, and a desire to help others, especially children. I know this desire along with your dedication and faith in God will lead you wherever you wish to go.

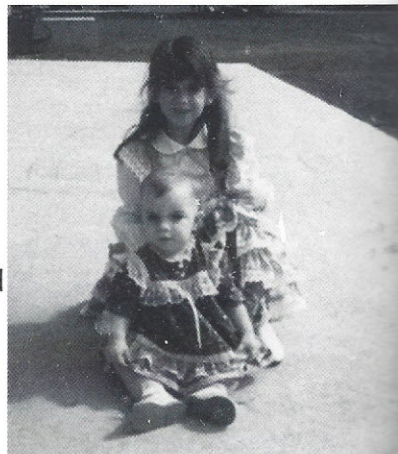

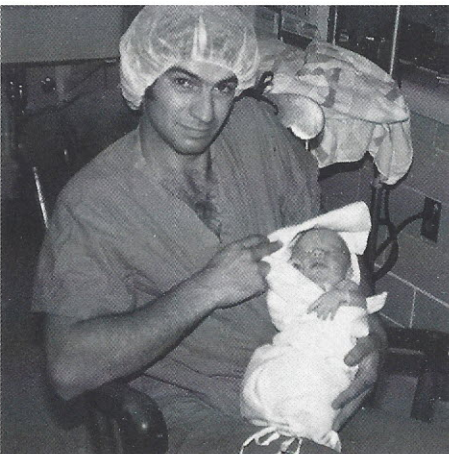

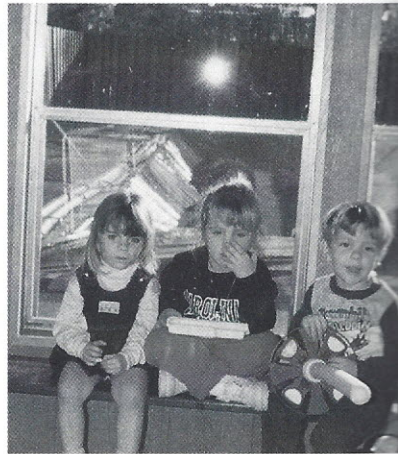

We love you!
Mom and Frank

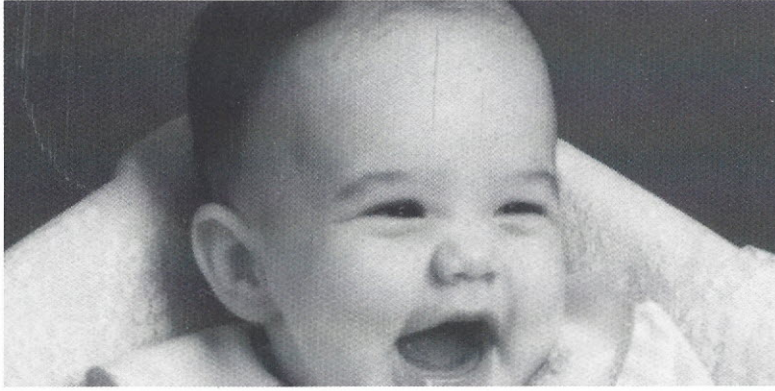

Courtney,
We are very proud of you. I can't believe my little sister is graduating from high school. Good luck in school next year. Always know we are here for you if you need us.

Brent,
**From the first moment you entered into
 my life- you had my heart.**

**I have always wondered how anyone could
 love a child as much as I love you. I guess
 that is why you are my one and only.**

**I will miss you not being with me at school
 everyday. Those years went by so fast. I will
 miss you wandering into my classroom to get
 a paper signed or to ask for money. The
 hallways will be a little quieter.**

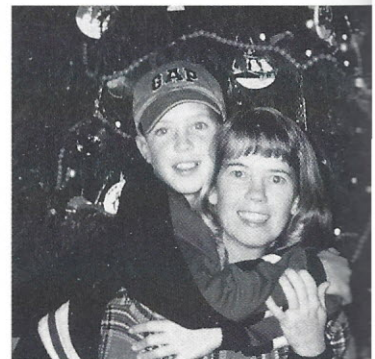

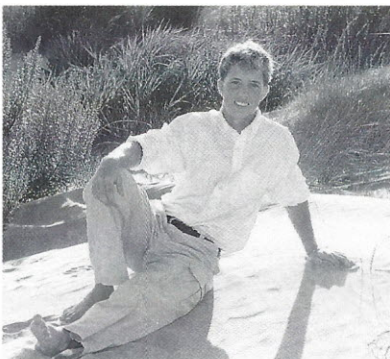

**Remember your future is your ball game.
 Always give it 100%. Win, lose, or tie, we will
 always be here for you.**

**Your Dad and I have been with you through all
 the cheers and tears and we will always be
 here for you.**

You have made our life complete.

**Forever in our heart.
 We love you,
 Mom and Dad**

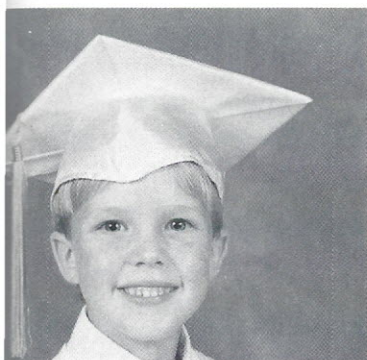

Congratulations Brent!
We wish you the best.

Brent Jackson,

You grew up right before our eyes and we are honored to have been a part of your life thus far. You are now about to start the adult half of your life and we will be there each step you take reassuring you of the pride we have in you and your talents. A few words of wisdom: Two halves do make a whole, cows can be quite dangerous, and keep your family close to you - we love you.

Love,
Todd, Heather, and Wyatt

Brent,

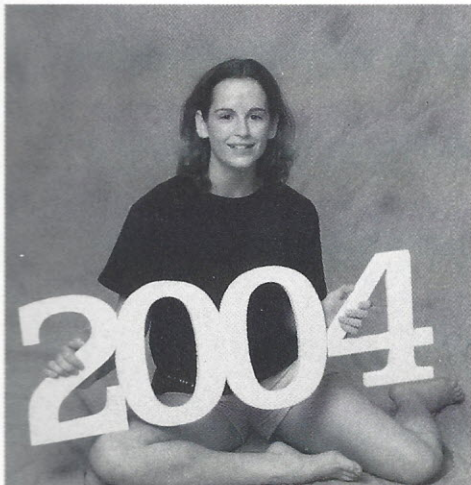

Wow Buddy!

I remember the day you were born as if it were yesterday instead of eighteen years ago. I would take you to basketball games when you were 7 months old and you slept through the noise. Then you turned into a little boy and I would come over and we watched "E.T." and "Land Before Time" at least 100 different times. Then you were old enough to play T-ball. From then on baseball, football and basketball became a big part of your life. Our times at the beach were always fun. Then all of a sudden you were learning to drive. I shed a few tears when you received your school ring and laughed when you went to the Jr.- Sr in a limo. Now you are a young man in our Senior year. You are a wonderful grandson and you have given me many enjoyable and fun fill days. I am so proud of all of you accomplishments and wish you all the happiness that life can bring.
Congratulations and love forever

I can't believe you are graduating! Seems like yesterday you were playing T-ball and hanging out with me- When did you grow up??? But now that you are, I just wanted to tell you how proud I am of you. I am and always will be your #1 Fan. As I watch you mature, I find myself missing that little boy that cried every time I left him - only now to find myself wanting to cry every time you, as a young man, leave me. But that is what happens as we grow up and discover all the new and interesting thing life has to offer us all. Follow your dreams and know I will always be there to back you up and push forward in anything you strive for. And no matter how old you are, just remember you will always be "My Buddy" and "Best Friend" and I will always be your "Sissy"!!!

"Mimi"

I love you so much!
Congratulations Brent!
Love always,
Niki

HILARY,

I can't believe this day is finally here. The day that I would be writing some profound words of encouragement and wisdom to cheer you on your merry way to bigger and better things. I wish I could make these words rhyme into a cool poem like you do. Well here goes.

Your dad and I have come up with some events that have made the last few years very memorable. Hopefully we all learned a little from each event. There was the time you had knee surgery. You were told you would be on crutches for 2 weeks. Somehow those 2 weeks turned into 2 months. I can say for sure you mastered the walking on crutches. GIMMPIE! You could become a doctor? Then here was this time you had your fender bender or should I say bumper removal. Then you decided the rear bumper had to go. Let's not forget the deer! Last but not least the oil pan. The color purple is NOT your color! You could become a mechanic?

There are so many things you could become. The possibilities are endless. Your Father and I hope that you use the many talents that God gave you to become the best at whatever you chose to do in life. We are so proud of you! There are some others that would be proud of you also. Just to name a few... Mema, Poppa and you Uncle Rhett!

Love you,
BIG NUMBERS!
Mom and Dad

P.S. if you should ever need us or just want to talk...just call us on the bat phone...you know the number.

Hilary,

Congratulations! You made it! Good Luck next year in college! we hope that all of your goals and dreams come true!

My Dearest Kimberly,

How can we put into words what you mean to us and just how special you truly are? Words cannot tell you just how proud we are of you.

It seems as only yesterday, we were holding you in our arms, watching you laugh and smile. For you were our first born child, there is a special bond there.

Then it was time for you to start kindergarten. I walked you into your classroom and you waved bye to me, letting me know it was time for me to leave. In my heart, I knew you would be fine.

Before we knew it, it was time for your very first prom in the 8th grade. Lord, that was a day! We had your hair, makeup, and pictures done. Looking for your dress was a job!

When you started Dorchester Academy in the 9th grade, you truly made some remarkable accomplishments and remarkable friends. There are so many accomplishments! Beta Club and Yearbook Staff. To be the Business Manager of the 2004 Challenger Yearbook is truly an accomplishment to be proud of and always remembered.

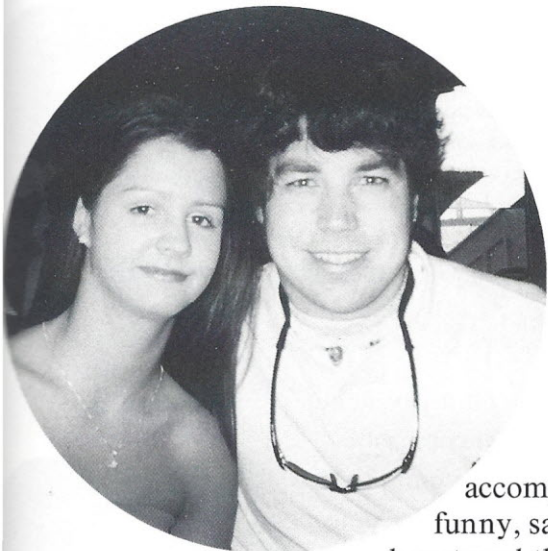

Well time has passed so quickly. We cannot believe it is time for you to graduate from high school and enter college. It is hard for us to let you go, but we know the time has come for you to spread your wings and fly.

Always remember we love you very much and will do anything for you.

"A mother holds her children's hands for a little while, their hearts forever."

Love,
Mom and Dad

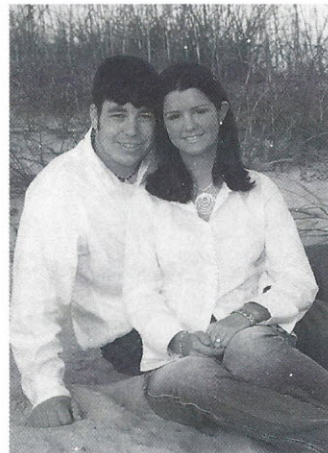

Kimberly,
 Ever since the day we have met, something different accompanied us each day, whether funny, sad, good, or bad. But one thing has stayed the same for me since that day, my loving care for you. You have meant so much to me through love, inspiration, and caring. As the next few years come upon you, always stay positive, work hard, and never let yourself down. Also, always remember I will always be here for you no matter where I am.

P.S.- You are still a "thief"!

Love,
 Gene

Dear Kim,

Congratulations! I will miss you so much next year. We have been through so much together. You are always there for me when I need you. You are a wonderful person to be able to look up to.

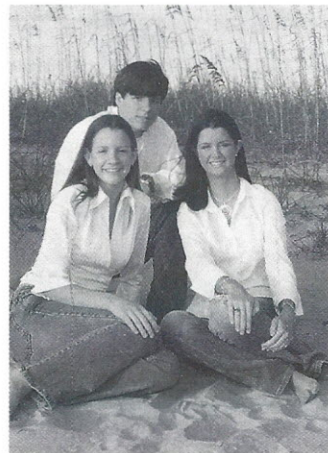

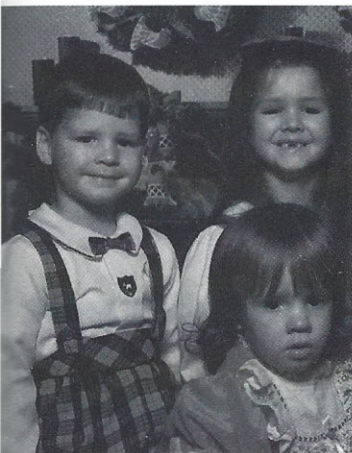

Good Luck in college. I know you will do great. Always remember I love you very much!!!

Your little sis,
 Katie

Kim,

Congratulations! You are a wonderful big sister. Even though we fight, I still love you. Hope you enjoy college. Good luck in the future.

Your brother,
 James

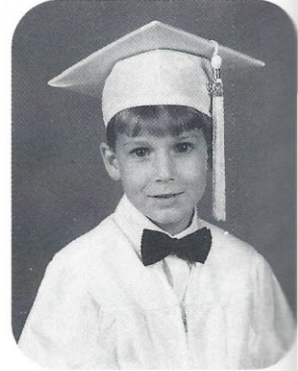

Adam,

You are truly a gift from God. It has been a joy being your parents. Over the years we have watched you grow from a tiny bundle to the handsome young man you are today. Thank you for the pleasures that you have given us along the way.

You are your own person with a special blend of so many qualities; a magnificent combination of feelings, hope, thoughts and dreams. You are so full of life, with a great sense of humor. Always keep that big beautiful smile.

We know that the world is not always fair to go. In the tough times of life when things are not going the way you like, we want you to remember that you can always turn to us. Always know that you can come home for unconditional love and support.

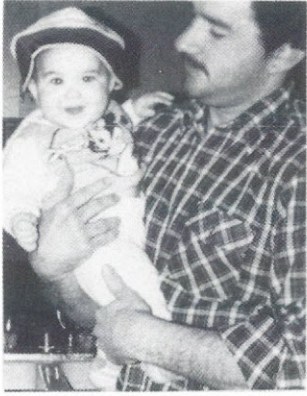

We wish for you a year that is filled with old friends and with new. Study hard and do your best and may all of your dreams come true. Remember to start each day with a little prayer, and ask God to lead your way. You are a special young man and we love you so very much.

How do we begin...It seems like only yesterday we heard those joyous words, "you have a beautiful, healthy baby girl!" At that moment and every moment since, you have blessed our lives in so many ways. You have given us many wonderful memories, from that silly little face you made when you were just a toddler, to that beautiful smile we always see on your face today. We are so proud of the wonderful young woman you have become. Words cannot begin to describe how very much we love you! You are kind, considerate, caring, thoughtful, and always loving. You are more than we could ever have hoped for in a daughter. What ever road life takes you down just remember to keep God first, continue to work hard, keep smiling that beautiful smile of yours, and always believe in yourself! You do these things and there will be nothing you cannot accomplish!!

All our love & prayers,
Momma & Daddy

Way To Go Adam!
You've been a great brother!

Love, Madison

It's been said that life's a dance that you learn more day by day... so we want to share some of the steps that we've picked up along the way...

Learn to laugh at yourself, and enjoy the laughter of your friends. Find humor in things that offend you to ensure that laughter never ends.

Do not believe in first impressions, for things aren't always as they seem. Sometimes the very smallest player is the best one on the team.

Always do what you feel is right; to your own self, you must be true. Remember you have to live with tomorrow whatever today, you choose to do.

Always be ready and willing to lend a hand where help is needed. Try to remember to treat other people as you, yourself, would like to be treated.

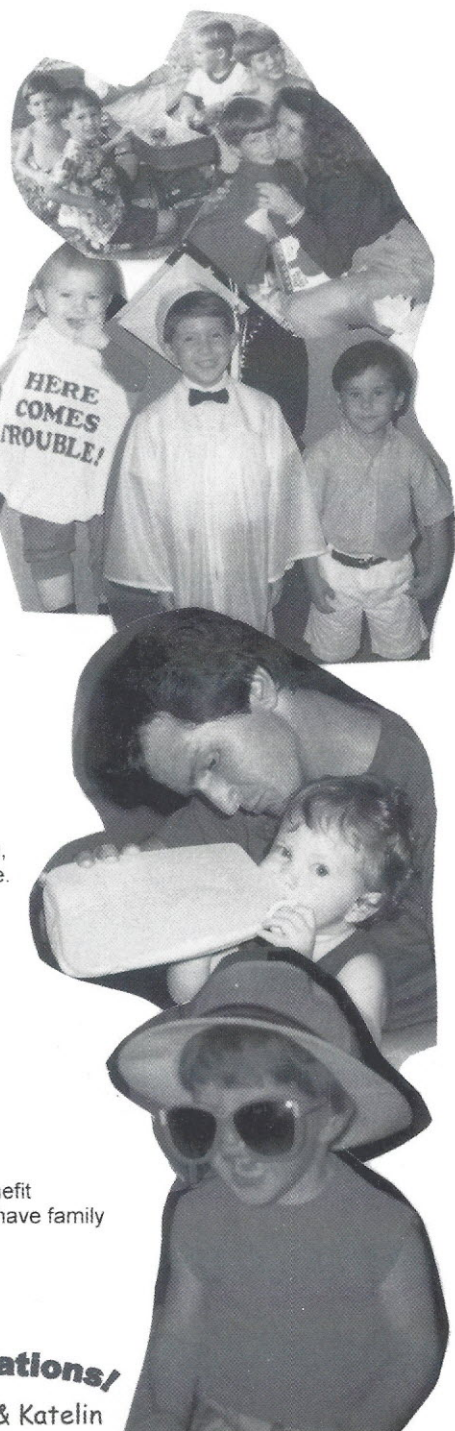

Do your best not to criticize others; we all have failings and faults that occur because no one has been born to perfection, though you'll meet those who think they were.

Cherish and respect your elders. Listen to stories from where they came and make them proud that you are one who carries their family name

And stay close to your family; don't let time or distance come between. Responsibilities create separations that very seldom are foreseen.

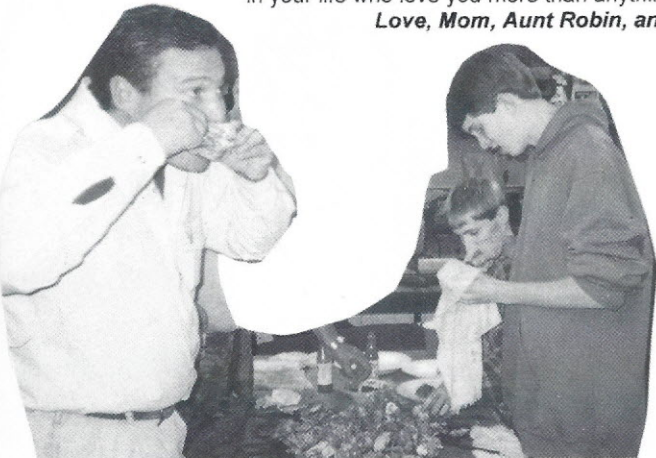

As you graduate and begin adulthood, I hope you'll someday benefit from the guidance these words may bring, but always know you have family in your life who love you more than anything!

Love, Mom, Aunt Robin, and Uncle Franklin

Congratulations!

**Adam would rather be hunting
And fishing each day,
Just like his Pops taught him
In his own special way.**

**While sitting in school
Daydreaming about fish,
Or getting an eight point
Was sure part of his wish.**

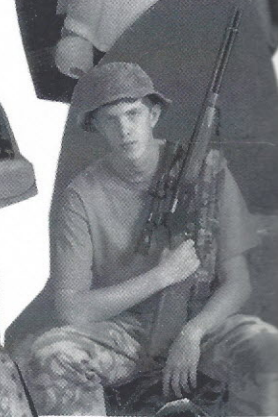

**Woodslake is the place
Adam thinks can't be beat
And the best way to get there
Is by truck or in Pop's jeep!**

**A ride on the four wheeler
Or in the old truck,
Nothing could be better
Unless hauling a big buck!**

**You are my first grandson
And my only "red-head"
Who brought me so much joy and fun
And more good times ahead**

**You know I'm behind you
In anything you may do,
I will be very proud
In whatever you decide to do
And I know Pops is looking down on you
With all of his love too.**
