

MJ,
Great Job. I Love
You!!

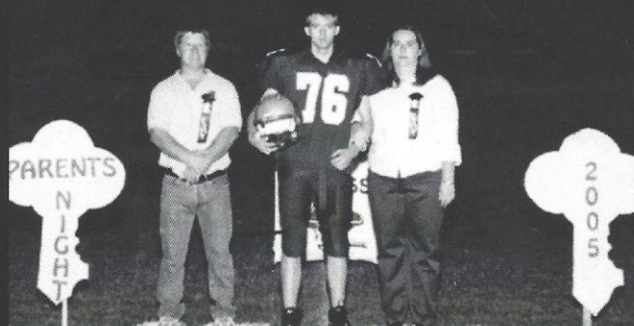

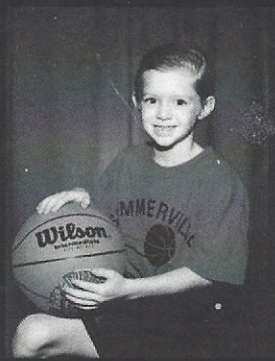

Amber

congratulations MJ!!

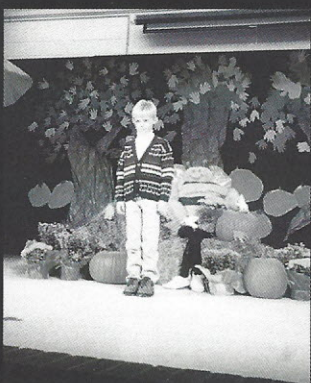

Mr. Simpson,
Wow!! You're a Senior. It seems like just yesterday God blessed us with this special gift of a baby boy. You always know how to make us laugh. You're so full of good spirit and joy. (and mischief "Dennis the Menace" haha) We have been so proud of the young man you have become. Your Aunt Rachael would be so proud of you. As you start your new journey in life always remember to never be afraid of being yourself and shooting for the stars, you can do anything you dream if you never give up. Life is short so live it to the fullest everyday. Let God lead your path and you will never go wrong. You will always have a special angel guiding your way, nudging you shoulder, and kicking your butt so think through your choices. Remember your family is always here cheering you on nad lifting you up with support and love.

God Bless You Son,
Dad and Mommy

It's hard to believe that my little bro is all grown up and graduating. It seems like yesterday we were playing in the sand at the beach and fighting over the shovel. Now you're a young man getting ready to start a new chapter in your life. the choices you make now will affect the rest of your life. take your time, don't rush things. Always know I am here for you, I may not have all the answers but I will do my best to lead you in the right direction. I love you. Congratulations!!
Your Best Friend and Sister,
Chloe

Brad

MJ,
You are finally there and I know you are breathing a sigh of relief. But to me, you're still the little boy climbing up in the refrigerator to ge the cookie jar. I am so proud of you. I know you will go far in life. Just remember to think before you leap.
Love you,
Nana
